Semiannual Regulatory Agenda

AGENCY: Office of the Secretary, Interior.

ACTION: Semiannual regulatory agenda.

SUMMARY: This notice provides the semiannual agenda of Department of the Interior (Department) rules scheduled for review or development between Spring 2021 and Spring 2022. The Regulatory Flexibility Act and Executive Order 12866 require publication of the agenda.

ADDRESSES: Unless otherwise indicated, all agency contacts are located at the Department of the Interior, 1849 C Street NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Please direct all comments and inquiries about these rules to the appropriate agency contact. Please direct general comments relating to the agenda to the Office of Executive Secretariat and Regulatory Affairs, Department of the Interior, at the address above or at (202) 208-5257.

SUPPLEMENTARY INFORMATION: With this publication, the Department satisfies the requirement of Executive Order 12866 that the Department publish an agenda of rules that we have issued or expect to issue and of currently effective rules that we have scheduled for review.

Simultaneously, the Department meets the requirement of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) to publish an agenda in April and October of each year identifying rules that will have

significant economic effects on a substantial number of small entities. We have specifically identified in the agenda rules that will have such effects. The complete Unified Agenda will be published at www.reginfo.gov, in a format that offers users enhanced ability to obtain information from the Agenda database. Agenda information is also available at www.regulations.gov, the government-wide website for submission of comments on proposed regulations.

In some cases, the Department has withdrawn rules that were placed on previous agendas for which there has been no publication activity or for which a proposed or interim rule was published. There is no legal significance to the omission of an item from this agenda. Withdrawal of a rule does not necessarily mean that the Department will not proceed with the rulemaking. Withdrawal allows the Department to assess the action further and determine whether rulemaking is appropriate. Following such an assessment, the Department may determine that certain rules listed as withdrawn under this agenda are appropriate for promulgation.

Bivan Patnaik,

Deputy Director, Executive Secretariat and Regulatory Affairs.

149. IMPORTATION, EXPORTATION AND TRANSPORTATION OF WILDLIFE; UPDATES TO THE REGULATIONS

Legal Authority: 16 U.S.C. 668; 16 U.S.C. 704; 16 U.S.C. 712; 16 U.S.C. 1382; 16 U.S.C. 1538(d)–(f);, 16 U.S.C. 1540(f); 16 U.S.C. 33 8(d)–(f); 16 U.S.C. 3371 to 3378; 16 U.S.C. 4223 to 4244; 16 U.S.C. 4901 to 4916; 18 U.S.C. 42; 31 U.S.C. 42; 31 U.S.C. 9701

Abstract: We propose to rewrite our regulations governing the importation and exportation of wildlife to make these regulations easier to understand. In addition, we propose to revise the inspection fees associated with the importation and exportation of wildlife and to update the list of species that qualify as domesticated species, for which U.S. Fish and Wildlife inspection and clearance is not required. The current inspection fees have been in effect since 2012. The establishment of these fees is consistent with the Independent Offices Appropriations Act of 1952 and OMB Circular No. A-25, which provide that services provided by Federal agencies are to be self-sustaining to the extent possible and that fees assessed should be sufficient to recover the full cost to the Federal Government of providing the service and are based on market prices.
